- **Recycling in the Westside feedback:**

- i. Johnny: The cardboard bins seem to be holding up well.
- ii. Patrick: The pick-up schedule is not regular, and custodial staff would be willing to help. We are not sure what to do about glass though.
- iii. Daum just started a recycling club. Starting collection on Sunday. Taking a truck to drop off recyclables (glass can be included).
- iv. Delaney: Pick-up schedule is consistent at Rienow and is Sunday, Monday, Wednesday and Friday. Rienow custodial expressed not wanting to pick it up. Still working well for us. Only issue: Sometimes people put cardboard into the paper bins.
- v. Nate: It tends to overflow. However, the bins in the rooms and transporting the recyclables is working fine.
